CONTRACT AIR

This memorandum is to inform your Honorable Board of the Fire Department's intention to extend the lease of the SuperScoopers to January 31, 2014.

Our Department has continued to augment staffing due to the lack of rainfall, continued weather conditions with high winds, low humidity, and mild to moderate temperatures.

The Department will continue to evaluate weather projections and provide an update by January 28, 2014, if the release of the SuperScoopers will be extended for an additional period of time.

If you have any questions or need additional information, you may contact me at (323) 881-6180.
